Eric,

Thanks again for the update. We'll need to update the Permitting Dashboard (sooner the better) for the project. Will you or Undine be able, or can we beg Mary to add the update to the back end of the dashboard?

Let us know. Thanks.

Barbara

Subject: final permit for South Fork windfarm

Hi Barbara,

Not sure if we need to notify you or not but we issued the South Fork permit today in accordance with our milestone on the FAST-41 dashboard. The final permit is available on our website at <https://www.epa.gov/caa-permitting/south-fork-wind-ilcs-south-fork-windfarm-outer-continental-shelf-air-permit>
